

Gregory Allison

gregoryallison.net | gregsmmandolin@gmail.com | @gregallisonmusic | 608 576 1492

Independent and creative composer, recording artist, and classically trained multi-instrumentalist who writes and performs in a wide variety of styles and genres. Owner and operator of Holy Volcano, a record label, recording studio, and publishing company. Advanced knowledge of and experience with recording gear, software, and software programs. Understands how to convey emotion through music, can translate language into music, and score to picture. Sees the big picture and understands the process of creating recorded music from inception to final product. Works well collaboratively and independently, is a fast worker and learner, and is an effective and efficient leader and communicator, dedicated to deep listening and fruitful collaboration.
